

## West Derby School KS4 2016 Results

|                          | 2016 School Results | 2016 National Average | WDS compared to National Averages | 2015 School Results | 2014 School Results |
|--------------------------|---------------------|-----------------------|-----------------------------------|---------------------|---------------------|
| Attainment 8             | 51.2                | 48.5                  | ↑                                 | 46.1                |                     |
| Progress 8               | -0.09               | 0                     |                                   | -0.27               |                     |
| English & Maths A*-C     | 67%                 | 59.3%                 | ↑                                 | 52%                 |                     |
| EBACC                    | 15%                 | 23.1%                 |                                   | 21%                 | 18%                 |
| English A*-C             | 78.4%               | 76.1%                 | ↑                                 | 72%                 | 55% (63%)           |
| Maths A*-C               | 70.8%               | 72%                   |                                   | 59%                 | 45% (53%)           |
| 5 x A*-C inc Eng & Maths | 62.7%               | 56.8%                 | ↑                                 | 50%                 | 37% (45%)           |

*Results have increased for the 2nd year in succession.*

*We are above National Averages in 4 areas (provisional results)*

*We are 2nd in the city for most improved results.*

Attainment 8 and Progress 8 are new measures for 2016.

Attainment 8 calculates the points achieved by pupils in 8 x KS4 subjects.

Progress 8 calculates the progress made by pupils from KS2 to KS4. 0 is the national average.
